Petty says it's time we ask the community on the Princes Highway Heathcote traffic issues

Independent Candidate for Heathcote to bring all parties together for "think tank"

Heathcote Independent Candidate, Greg Petty is inviting Shire and Illawarra residents to have their say about the future of the Princes Highway at Heathcote.

The roads, parking and traffic congestion issues in the area have been a major source of frustration for the commuters, the business owners and the local community for some years.

In light of past attempts at resolving the traffic issues, Mr. Petty is hosting a drop-in discussion session on Sunday, January 30 at Veno Park Heathcote (between Veno Road and Princes Highway opposite Heathcote Hotel) between 3pm and 4pm (note change of venue to previously notified).

Mr. Petty, an Accountant and Company Secretary, with over 30 years experience as a small and medium business owner in the line marking and road sign industry wants to begin a process with the collective determination to find an outcome respecting everyone's views, within a specified timeline. How can the government refuse to spend "our" money on projects we require?

"It's time we ask the community" stated the Independent Candidate for Heathcote, "I'm listening and I want to see change that will benefit all the community".

If you're up to the challenge, let's find a mediated solution the whole community will embrace. Bring your thoughts, sketches, mud maps, and a mind set to solve this forever in a constructive environment".
